I GUESS

IT'S SO ANNOYING.

I CAN'T EVEN COUNT HOW MANY TIMES HE'S IGNORED ME.

HE'S YOUR EXACT OPPOSITE, YUMI.

He was always out off from everyone else, but didn't seem to care.

I'M SICK OF THAT GUY.

But since we were in the same class, I thought I'd try to talk to him normally.

During our third year of middle school we were in the same class, and he'd say nothing but "yeah" and "okay", without expression. He was an unsociable guy.

THAT BOOK-WORM? HE TOTALLY KEEPS TO HIMSELF.

He was surprisingly interesting.

Whoa.

ANGRY

IT'S KYOGEN!

HA?

...YUMI.

I don't know why, but it somehow made me want to get to know him.

HEEE!

When I'm with Mayama, I get knocked off course.

Staring straight at me, he's easy to understand.

...DON'T DO IT ALL AT ONCE.

SO, I WONDER WHY YOU'RE TALKING TO ME NOW.

Love Whispers, Even in the Rusted Night by Ogeretsu Tanaka

He hit me again today. My lover Kan-chan, that is. But that doesn't really matter. My love is being rusted by our bodily fluids. Mayama, my middle school classmate, has appeared before my rusted self and become conscious of my bruises and scars. But you want it to be like the past, on that rainy day you kissed me and froze... I won't be satisfied with a naive love.

Drawn by Ogeretsu Tanaka, this is a story of true love and pain.
